| <b>Pediatric Neuroimmunology Research Fellowship</b>  |  |
| <b>Department &amp; Institution</b>   | Division of Neurology, Department of Pediatrics, Children's Hospital Los Angeles and the Keck School of Medicine of USC  |
| <b>Fellowship Focus</b>   | Neurogenetics of Neuroinflammation   |
| <b>Director</b>   | Jonathan D. Santoro, MD  |
| <b>Fellowship Duration</b>  | 1-3 years  |
| <b>Positions Available</b>  | 1  |
| <b>Description</b>  | This research fellowship at the Saban Research Institute will provide a bench to bedside experience for interested physician-scientists. The fellowship focuses on exploration of the role of genes of immune regulation in neuroinflammatory disorders. |
