Disclosure Information

As a provider dedicated to independent education and accredited by the ACCME, IPMA must ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. All individuals with potential to influence the content of this program have disclosed all financial relationships that have occurred in the past 24 months with ineligible companies. The disclosures have been reviewed according to policy and these declarations are listed below. All individuals with potential conflicts have been contacted as needed by IPMA staff, and issues of conflict have been discussed, managed, and mitigated.
